

The  
quickest lifting strut  
on the market.

The **Steel X-Strut** is a heavy duty and affordable addition to our **X-Strut series**. Filling the gap between our lightweight Green Lite and our premium Aluminum X-Strut, the **Steel X-Strut** combines the functionality of the X-Strut series with enough working load for all of your common rescue situations.

*The Steel X is the most advanced and well-rounded steel stabilisation strut on the market.*
