

Fire Control Plan & Life Saving Symbols

Fire Control Plan & Life Saving Symbols

The complete set of Fire Control Plan & Life Saving Symbols published in ISO 17631:2002

To order the complete FCS pack including CD ROM use Code: **FCS-PACK**

Symbols are also available on CD ROM!

The JALITE file and CD Rom is a complete set of fire control plan and life saving symbols published in ISO:17631:2002.

Indicates the location and type of equipment

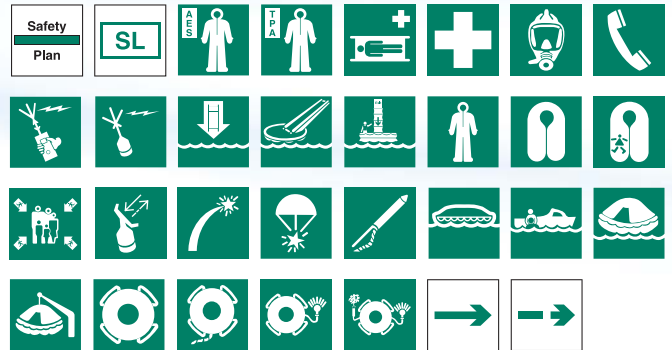

Symbol	Description	Symbol	Description
	Lifeboat		Line-throwing appliance
	Lifejackets		EPIRB
	Immersion suit		Radar transponder
	Rocket parachute flares		
	Child's lifejackets	Symbol	Description
	Medical locker		Safety Locker
	Lifebuoy with light		Manually operated call points
	Lifebuoy with light and smoke		Smoke detectors

Example of part of a legend according to the safety plan above.

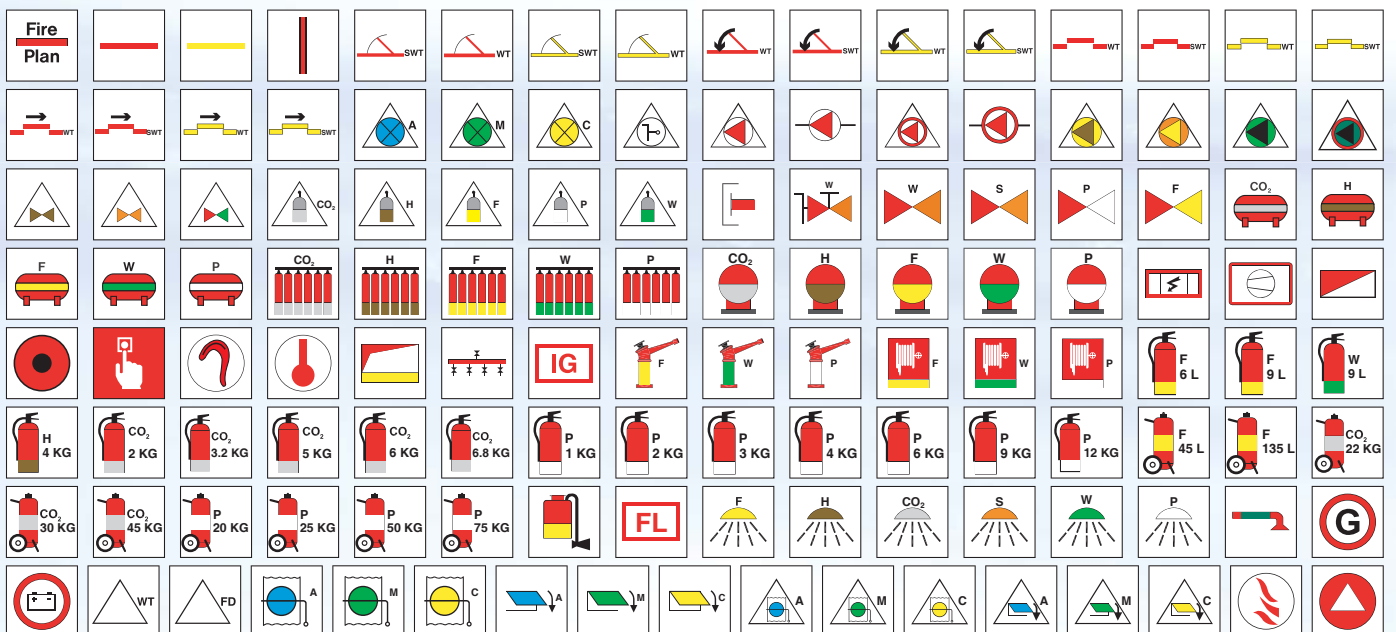

Symbols are printed on clear self-adhesive material and can be individually cleared for ease of application.

JALITE Fire Control Plan Symbols (FCS) are photoluminescent signs relating to symbols for fire control plans and fire equipment location. The symbols are to be used in accordance with ISO 17631.

Safety related signs are manufactured on photoluminescent material as required by standards and regulators for the marine industry. Photoluminescent self-adhesive vinyl signs are available in C size (150 x 150mm).
