

# Metrix : Modular Storage

## Introducing : Metrix modular

Metrix : Designed to combine three storage options into one product line. Whatever category of storage you need, Triumph has designed Metrix side filers, cupboards and tambours to work together in one complete modular system

It matches the versatile needs of any modern office. If you have to get more people in at short notice, the Metrix space saving footprint can quickly free up floorspace, and give you just the room for manoeuvre you need

Metrix at work. Metrix side filers can give you a high level of useable internal capacity. A highly effective way of getting the most in. Metrix internals can then build on this advantage and enhance it further

### metrix : side filers

- two, three & four drawer options
- 800mm & 1000mm widths
- full colour range
- locking
- A4 & foolscap filing
- adjustable feet
- counterweights included
- five year guarantee

metrix : side filers

**metrix : double door**

- choice of 9 height options
- 1000mm width
- full colour range
- adjustable feet
- five year guarantee

You only get one chance to make a first impression. Metrix combines form and hard working function, and can be built to improve any modern office environment. People tend to think of storage in horizontal runs, but carefully chosen height variations can be used to dramatic architectural effect

**metrix : open fronted**

- choice of 9 height options
- 800mm, 1000mm & 1200mm widths
- full colour range
- adjustable feet
- five year guarantee

metrix : cupboards

Clean lines and a concise group of elements make Metrix easy to plan, easy to install and easy to reconfigure. Metrix can be mixed and matched to find the perfect office solution

Here, Metrix tambours perfectly compliment side filers, in an area where unobstructed passage is essential

**metrix** : single door tambours

- choice of 9 height options
- 800mm width
- full colour range
- locking
- adjustable feet
- five year guarantee

**metrix**: double door tambours

- 11 height options
- 1000mm & 1200mm widths
- full colour range
- adjustable feet
- double locking
- five year guarantee

# Metrix : key benefits

- 5 Year Warranty
- meets all relevant British and European standards
- offers the widest colour combination to complement modern office designs
- includes a comprehensive range of flexible internals which fit in with any individual filing or storage requirements
- is built with welded carcasses for added strength and stability, and comes with standard feet levellers to deal with floor irregularities
